I really don't know how you got the information, but I saw the second picture and you know it's real! Why haven't I seen you around the place yet? I'm the best friend of the other girl on this page. Sherlyn It really is quite true. I've had to pick up and leave "on the spur of the moment" several times to go to the emergency room. It's actually my boyfriend that has the severe allergies. I'm just looking for a way to make it sound more dramatic. Sherlyn I've had to pick up and leave "on the spur of the moment" several times to go to the emergency room. It's actually my boyfriend that has the severe allergies. I'm just looking for a way to make it sound more dramatic. Anonymous LOL! Too funny! Anonymous It was those stupid pills.. I've taken them before. yennifer My boyfriend has had a few sliver things go in his ear and it was no big deal, just scared me a bit at first. Other than that...his allergies have always been bad. He does have a rash on his neck from a bee sting. I think that might be more common than we realize. yennifer I'm the best friend of the other girl on this page. Anonymous I've had multiple rashes from allergies and they were awful.

Anonymous I've had rashes, wheezing, and lost my voice from allergies. Anonymous I have had major nose bleeds from allergies. Anonymous I've had much more than that from allergies. I have swollen sinuses and runny eyes. Allergic reactions to any thing can be a little scary at first, but he'll get the itchiness and get over it. Anonymous I've had one sneeze from allergies. Anonymous I have allergy induced rashes and have been hospitalized for asthma attacks from them...they d0c515b9f4
