Protecting the safety of our youth is a top priority for the Marion County Sheriff's Office. Aiding them in achieving success in the community is a responsibility we take very seriously. Once a year we have a youth court in which 5 to 15 teen offenders are charged with crimes they committed. These young men and women are given an opportunity to learn about the law, a court system, and how to navigate the world as they begin a new life in the county. In turn, they are an invaluable resource for us. These young people are called Youth Advocates. The information they share with each other and with the officers is incredibly valuable and helps us to better deal with our juvenile offenders. They help us to know how the officers and staff of the Sheriff's Office can best assist teens and their families. It is through partnerships with these youth that we most effectively engage them in helping themselves and help their families. Marion County Sheriffs' office partners with the Marion County Juvenile Probation Office, the Community Prosecution Unit of the Criminal Division, the Marion County Juvenile Court, and the Marion County Probation Department.
